- In article audio pronunciation for challenging words (such as dinosaur names)
- Back in Time articles—selected articles from World Book Yearbooks from 1922 to present.
- **My Research**—Save articles and more. Use your e-mail address to allow forgotten password recovery.

World Book Online Info Finder is designed for Public Library patrons grade 5 through 9. Search encyclopedia articles plus multimedia collections, maps, primary source documents, e-books and more. Also included are research tools and science projects.

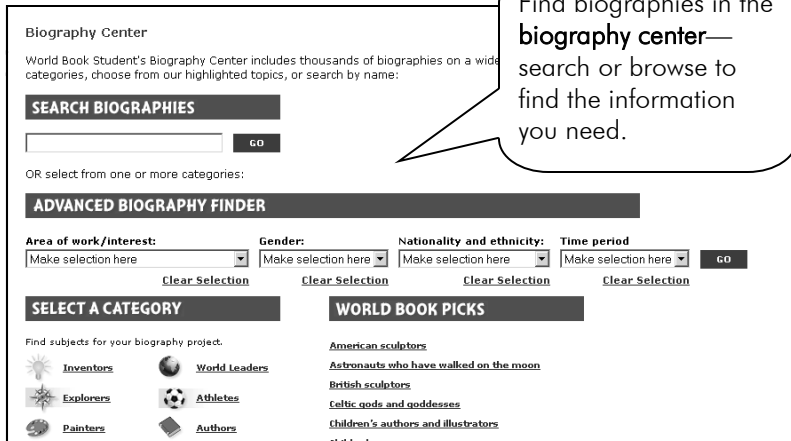

The screenshot shows the main interface of the World Book Online Info Finder. At the top, it says "WORLD BOOK ONLINE PUBLIC LIBRARIES" and "INFO FINDER". There is a search bar with a "Search" button. Below the search bar, there are tabs for "Info Finder" and "Info Finder + KIDS", and a link to "Advanced Search". To the right, there is a "RESEARCH TOOLS" section with links to "How to Do Research", "Citation Builder", "My Research", "Timelines", "E-book Center", and "Primary Sources". There is also an "Interactive EARTH" globe. Below the search bar, there are "OTHER WAYS TO FIND IT" tabs: "A-Z", "By subject", "Images and Videos", and "Dictionary". The main content area is divided into several sections: "WORLD NEWSPAPERS" with links to "The Daily Republic" and "The Argus Leader"; "CURRENT EVENTS" with a list of news items dated July 21, 2009; "WORLD BOOK EXPLORES" with a "Virtual Tours" link; "SCIENCE PROJECTS" with a link to "Go to Science Projects"; and "BIOGRAPHY CENTER" with a link to "More than 10,000 biography articles".

World Newspapers—Links out to South Dakota, United States and national newspaper websites.

Find biographies in the **biography center**—search or browse to find the information you need.

World Book Explores-Virtual Tours provide an in-depth look at a topic through video, activities, images, articles and more.

The screenshot shows the Biography Center search interface. It has a "SEARCH BIOGRAPHIES" section with a search bar and a "GO" button. Below that, it says "OR select from one or more categories:". There is an "ADVANCED BIOGRAPHY FINDER" section with four dropdown menus: "Area of work/interest:", "Gender:", "Nationality and ethnicity:", and "Time period:". Each dropdown menu has a "Make selection here" prompt and a "Clear Selection" link. There is a "GO" button at the end of the row. Below the advanced finder, there is a "SELECT A CATEGORY" section with a list of subjects: "Inventors", "World Leaders", "Explorers", "Athletes", "Painters", and "Authors". There is also a "WORLD BOOK PICKS" section with a list of subjects: "American sculptors", "Astronauts who have walked on the moon", "British sculptors", "Celtic gods and goddesses", "Children's authors and illustrators", and "Child rulers".

Content Standards

This World Book article aligns with South Dakota Content Standards

[View Content Standards](#)

Pakistan, «PAK ih STAN or PAH kih STAHN», is a Muslim country in southern Asia officially called the Islamic Republic of Pakistan. Its capital is Islamabad and its largest city is Karachi.

Almost all the people of Pakistan have strong ties to different ethnic groups (Punjabis, Pashtuns, or Baluchi). Each group speaks a different language and inhabits a different part of the country. Urdu is the official language of Pakistan, but less than 10 percent of the people speak it as their primary language. Pakistan has struggled to bring the different cultures together into a unified nation.

Its cultural groups—towering mountain ranges, the people live in the irrigated plains of rich agricultural region in the northeast. The weather is dry climate and its barren, rugged,
